

Business Details:

Money Masters Leasing & Finance Ltd.

Money Masters Leasing & Finance Ltd. (MMLF) Started operations in **1995** and within 3 years became a public limited company. It obtained a deposit taking NBFC license (A category) in October 1998 and is presently an asset finance company. Since December 2011 the company has stopped taking public deposits.

Money Masters is at present listed on BSE Main Board.

MMLF is in the business of creating and nurturing relationships and helping its patrons realize their dreams either by the means of investment or via loans. We are proud and humbled that 98%+ of our patrons have been retained by us and are in business with us over the past two decade and more.

MMLF provides loans for personal, domestic appliances, asset purchase to individuals. We also provide loans for vehicle and equipment on hire purchase which constitutes more than 80% of our turnover. The company funds small and medium enterprises, startup businesses for machineries and consumer goods, which are to be used for commercial activity. Till date MMLF has funded approx. 5000 auto-rickshaws apart from IT hardware and other equipment via established dealers.
